Re: Theresa Harrison v. The Port Authority of New York and New Jersey
Docket No.: 1:17-cv-06281-WHP

Dear Judge Pauley:

I represent Plaintiff Theresa Harrison in the above-referenced action. I write to request a very brief extension of time to file the parties' motions in limine from April 16, 2021 to April 19, 2021. I have conferred with counsel for defendant, and defendant consents to the relief requested. The reason for this request for a short extension is due to undersigned counsel's significant reaction to COVID-19 vaccination over the course of two days during the past week. The parties have agreed to extend the time for filing to April 19 for both parties. This is the second request for an extension to file the motions in limine, the parties do not anticipate the need for any further extensions and this request will not require the postponement of any other filing deadlines currently pending.

I thank the Court for its consideration.

Respectfully submitted,
